We can discuss your last question later since I don't think its time critical to discuss for Wednesday.

Thanks Sarah. Here is my proposal on the final document – I've left some of my changes in track changes for your review and determination if I've correctly captured issue.

I will do the opening; I suggest adding the lead names next to the subject areas on the briefing document so we keep it flowing.

Please let me know if you have additional edits to the sections that I've left in track changes and please update the lead for the sections by 4:30 pm and I will get this attached to the agenda.

Thanks!

D

Hi all –

Here are the links to the Dewey Burdock papers I promised. The "CLEAN" one is where we will make final changes and clean up. The "June 2020" one we will keep to preserve the helpful comments and info you all provided.

For the briefing – let's plan to follow the same leads we have used in briefings thus far:

Intro: Darcy, Sarah or Douglas (any preference?)

Geo Scope: Mai
Scope & Adequacy of the CEA: Mai
Cultural Resources – NHPA: Everett or Brian
CEA: Mai
EJ: Kimi
Tribal: Paul
NEPA: Erin & Melissa/Phil

I'll send out the final paper again once it's complete.

Thanks,
Sarah
